We will collect information in the course of your dealings with us regarding your personal details (including but not limited to your sex, age, ethnic origin and state of health). Any information we do collect will only be used for the purpose of conducting our relationship with you and will be used for the purposes of underwriting your insurance cover, managing the policy we issue for you, and administering any claims you may make. We may need to transfer some or all of this information to our insurance underwriters, their claims handlers, medical assistance companies or other medical practitioners. You have the right to access any details that we hold about you and to amend or delete anything you may believe is inaccurate or out of date. 7. Medical information

If you are transferring your group from another insurer and are providing Morgan Price International Healthcare with the previous insurer's registration certificates, these will be used to identify specific medical exclusions that will apply to an individual employee and/or any dependants to be included within the membership. Where standard application forms are completed and full medical history information is provided by individuals, we will use the information to decide whether any special medical exclusions should be applied to their cover. Medical information will also be used when we assess claims. Medical information will be kept confidential and only disclosed to those involved in providing the patient's treatment or care, including their General Practitioner or Dentist, or their agents. Only in exceptional circumstances will we disclose medical information to other third parties (including the Group Sponser) or family members, without the patient's explicit consent.

8. Moratorium

Where applicable, this policy has a two year moratorium. This means that pre-existing conditions will not be covered for the first two years of the policy. After this a pre-existing condition may be covered if a period of two consecutive years has elapsed since symptoms, treatment, medication, tests or advice was received for that condition. If this clause applies to your company paid scheme, it will be indicated on the quotation provided by us.
